Volunteer Driver Mileage Guide

The Health and Home Care Society of BC reimburses mileage to Kitchen Meal Couriers and Delivery Route Drivers at a rate **59 cents** per kilometre. Kitchen Meal Couriers are to calculate the distance driven based on the trip from Medley Grill Kitchen to the Church Depot. Delivery Route Drivers are to calculate the distance driven from the Church Depot to the end of the delivery route. Mileage from your home to the Kitchen or Church is not reimbursed.

The following mileage range chart is based on input from volunteers who drive to these depots on a regular basis. Please use these ranges as a guideline when filling out your reimbursement request.
